

Neur
zone

The logo for 'Neurozone' is presented in a two-line format. The top line contains the letters 'N', 'e', 'u', 'r', and 'o', while the bottom line contains 'z', 'o', 'n', 'e'. The letter 'N' is yellow, and the 'o' in both lines is a yellow circle. A grey neuron with a central soma and radiating dendrites is positioned behind the 'o' in the top line. A grey tree branch with several smaller branches extends from the left side, passing behind the 'e' and 'z' in the top line and the 'e' in the bottom line.
